INTRODUCTIONS

COMPANY OVERVIEW

“

Essentara Gum Export and Import Limited is a Kenya and south sudan based company specializing in the ethical sourcing and export of high-quality natural gums and resins. With a focus on sustainability, community empowerment, and global standards, we deliver authentic products to markets across Europe, Asia, and the Middle East.

VISION, MISSION & GOALS

VISION

To be a global leader in natural and pharmaceutical products, empowering communities and promoting sustainable trade.

MISSION

- Supply premium natural gums and resins that meet global standards.
- Empower local communities through sustainable and ethical trade.
- Expand into value-added innovations for food, pharmaceutical, and wellness industries.

GOALS

- Establish Essentara as a trusted global leader.
- Expand into nutritional and wellness markets.
- Create sustainable employment opportunities in sourcing region
